

Rolling Hills Education Fund

Annual Direct Donation Campaign

Each year, the Rolling Hills PTA funds valuable programs, services, and family events. To raise the money for these programs, we rely on direct donations from parents rather than having our children sell wrapping paper, cookie dough or other items. With direct donation, 100% of the money raised goes directly to the school to benefit students.

To cover the cost of each of the programs listed below, the Rolling Hills Education Fund will need to raise \$50,000 for the year. Therefore, we hope you will consider a tax-deductible donation to this annual campaign.

If you are able, consider sponsoring an additional student to help us reach our goal of 100% participation.

Suggested Donation
\$100 per student

Our goal is for 100% participation by the families of Rolling Hills of any amount. All donations are appreciated and 100% tax deductible.
